

Parent Needs Assessment Meetings

Parents, your opinion is very important to us. **THANK YOU** for participating in our annual Parent Survey. We invite you to discuss the results of the survey and give us your valuable input for FY 2018. Select a meeting that is convenient for you to attend in person or via GoToMeeting. Please contact the Parental Involvement Coordinator at **Deonia.Young@gradgeorgia.com**, or **470-259-5918** if you require onsite childcare or travel assistance for the meeting. It is only necessary to attend one meeting, as the same information will be presented at each occurrence. **The Needs Assessment Meetings will immediately follow the parent focus groups that you were notified of by mail.**
